2020 MTNA Performance Competitions

General Information

The MTNA National Competitions are the most successful and prestigious student competitions in the country. Each year, thousands of students compete for top prizes and national recognition.

The purpose of the Music Teachers National Association Performance Competitions are to provide educational experiences for students and teachers and to recognize exceptionally talented young artists and their teachers in their pursuit of musical excellence.

The three-tiered **Junior (11-14), Senior (15-18) and Young Artist (19-26) Performance Competitions** begin with state competitions. The winners/representatives of each state's competitions advance to a Division Competition in the winter. Division winners then compete in the National Finals at the annual MTNA National Conference in the spring. The winners of that Competition perform in a winners recital for teachers from all over the country.

The Massachusetts state competition is the first level of the MTNA performance competitions. The competition is open to talented pianists, string, and woodwind students at all age levels. Voice students and brass players may enter at the senior and young artist level.

Information about guidelines, fees and application can be found on the [MTNA.org website HERE](https://www.mtna.org).
